Every Dragon Tiny Home is NOAH Certified

Dragon Tiny Homes is proud to have been NOAH Certified for four years in a row! This certification means our homes meet the highest standards for safety, quality, and compliance with national building codes. Every tiny home undergoes thorough inspections, covering everything from structural integrity and electrical systems to plumbing and overall safety. NOAH's strict certification process ensures that each home is built to last and meets the most up-to-date regulations for tiny home construction.
